

## **The Standards ~ a brief biography**

The Standards, formed by James in 2010 with original singer Ollie Lepage-Dean, is a Jazz piano and voice duo. While James is the duo's sole pianist, The Standards draws on a pool of Jazz singers for any given performance. The Standards duo performs in a variety of settings, from intimate and audience-oriented performance to the ambient, less centre-stage style of entertainment. The range of services includes performing for wedding receptions, formal dinners, corporate functions, for restaurants, bars and hotels. Their repertoire for a given performance, with due notice, can be tailored according to the client's needs, depending on taste, the venue and the occasion.
